

# Rotary

Dear Dedicated Rotarians,

I've been reminded that not everyone is familiar with how Rotary is put together. So, here's my take on that..... Rotary International organizes districts into Zones. District 6220 is in Zone 28. Zones provide training opportunities to all members, especially those in leadership roles. So, don't be shy about stepping into a leadership role in your club- help is out there! The friendships and fellowships are a bonus that stays with your way beyond your term.

Zone 28 will be expanding- stay tuned

The Outbound students have flown to other countries to have an amazing experience that will impact their lives forever. The Inbound students have been here for a month or more. Recently they all gathered for an Orientation weekend in Marquette. Thank you for great hospitality Marquette! Many Inbounds are already active in their school activities, sports, homecoming, and making new friends. The fall Inbound Conference will be held in Minocqua October 19-21<sup>st</sup>. Students planning to go out on exchange come with their family, Inbounds and RYE committee are there to inform, prepare and inspire next year's class of Outbounds. The highlight of the weekend is the Culture Fair, showcasing the cultures of the Inbound students' home country. Many thanks to the entire RYE team for all their hard work and dedication to this great program!

Some dates to remember: **Saturday Oct.13<sup>th</sup> District Assembly, Iron Mountain MI**

**WORLD POLIO DAY Wednesday Oct. 24th**

Thank you for the warm welcomes as I travel the district. Thank you most of all for the great service you give to the world. Share your stories, don't keep them a secret! Keep in touch, have an [OUTSTANDING OCTOBER!](#)
